About the Department

The Department of Commerce, established in 1992, was founded with the objective of delivering quality education to young women in the Malwa region within the field of Commerce. Currently recognized as the Post Graduate Department of Commerce, it continues to achieve significant milestones under the dedicated efforts of a highly qualified faculty. A noteworthy accomplishment of this department was the introduction of the M.Com. (Regular) course in 2013, catering specifically to the educational needs of young women in this region. Approximately 30 students from the department have successfully qualified the UGC NET, and several alumni hold esteemed positions in reputed institutions / organizations. The department actively organizes various events, including workshops, extension lectures, national seminars, industrial visits, and educational tours, fostering the holistic development of its students.

About the Seminar

Empowering youth for a sustainable tomorrow involves equipping young individuals with knowledge, skills, and a sense of responsibility to address global challenges. Focusing on education, mentorship, and community engagement, this initiative cultivates environmentally conscious leaders. By fostering innovation and ethical decision-making, youth are empowered to contribute to sustainable development, environmental conservation, and social equity. This Seminar encapsulates the essence of preparing young minds to actively shape a future that balances economic, social, and environmental dimensions for the well-being of present and future generations.
