Suggestions:

Self-Appraisal system should be introduced for all the faculty members in view of analysis of results, students feedback etc.

- More no. of seminars and workshops of National and International Importance should be organized
- Special programs for teaching/non teaching/support staff should be organized
- Academic calendar should be prepared and published before the beginning of the session.
- Value added courses should be started.
- Giving adequate thrust in faculty development activities particularly in latest pedagogy and e-content preparation.
- Entrepreneurship and skill development programs should be organized.
- Strengthening ICT thrust in teaching/learning
- Extension activities by different departments should be organized

Following are the recommendations of the Audit Team:

- Students representation (From student council) be placed in different administrative and academic committees of the college.
- Alumni should be strengthened and involved for their contribution to the development of the college.
- Keeping in mind the present status of the job market, various value added courses can be introduced.
- Encourage Faculty Members to publish Research Papers in the UGC listed journals.
- College must keep in record the donations given to the institute by the individual in any form like fee of students etc.
- Infrastructural facilities and Laboratories to be upgraded with latest equipments.
