About National Institute of Educational Planning and Administration (NIEPA)

The National Institute of Educational Planning and Administration (NIEPA), (Deemed to be University) established by the erstwhile Ministry of Human Resource Development (now Ministry of Education), Government of India, is a premier organization dealing with capacity building and research in planning and management of education not only in India but also in South Asia. Like any Central University, NIEPA is fully maintained by the Government of India.

The National Institute has its origin dating back to 1962 when the UNESCO established the Asian Regional Centre for Educational Planners and Administrators which later became the Asian Institute of Educational Planning and Administration in 1965. After 4 years of its existence, it was taken over by the Government of India and renamed as the National Staff College for Educational Planners and Administrators. Subsequently, with the increased roles and functions of the National Staff College, particularly in capacity building, research and professional support services to governments, it was again renamed as the National Institute of Educational Planning and Administration (NIEPA) in 1979.

About the College

Shri Sanatan Dharam Girls' College, Bathinda established in 1966 under the aegis of Sanatan Dharam Sabha (Regd.) is one of the premier institutions of Malwa region affiliated to Punjabi University Patiala. It has been accredited 'A' grade by NAAC in its first and second cycle. UGC has recognized this institution under the clause 2(f) and 12(b) of UGC act 1956. The college has been conferred with Autonomous Status by UGC. The college has been certified as 'Eat Right Campus' by FSSAI Ministry of Health and Family Welfare. The college is committed to provide quality education to girl students by providing a wide range of UG and PG courses including B.A., B.A.-B.Ed. (ITEP), B.Com, B.Sc.(Med., NM, CSM), B.C.A. & BBA(AICTE Approved), B.Lib., M.Com., M.A.(Eng., Hindi, Punjabi), M.Sc.(Maths, Fashion Designing, IT&LE). The college is also running skill hub under PMKVY 4.0 scheme. It has been selected as a Participating Institution (PI) under Unnat Bharat Abhiyan Mission, a flagship program of the Ministry of Education (MOE), Govt. of India. The mission of SSDGC is to provide quality education while developing self sufficiency and civic responsibility among students. The college promotes research, innovation and new ideas. For the past 60 years this glorious institution has worked with an avowed mission of empowering women and society.

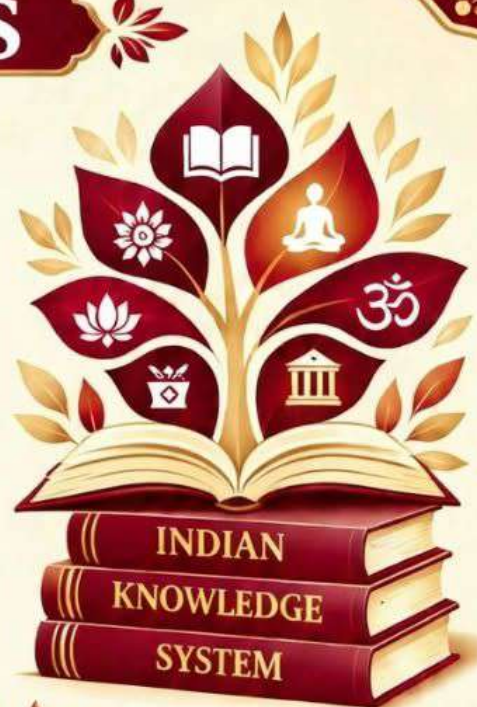

About the Seminar

The Indian way is sustainable and strives for the welfare of all. It is important that we regain the ample knowledge system of our heritage and demonstrate the 'Indian way' of doing things to the world. This requires training generations of scholars who will demonstrate and epitomize to the world a way of life so unique and peculiar to our great civilization. The NEP, 2020 recognizes India's rich heritage of ancient and eternal Indian knowledge and thought as a guiding principle. The Indian Knowledge Systems comprise of Jnan, Vignan, and Jeevan Darshan that have evolved out of experience, observation, experimentation, and rigorous analysis. This tradition of validating and putting into practice has impacted our education, arts, administration, law, justice, health, manufacturing, and commerce. This has influenced classical and other languages of Bharat that were transmitted through textual, oral, and artistic traditions. "Knowledge of India" in this sense includes knowledge from ancient India and, its successes and challenges, and a sense of India's future aspirations specific to education, health, environment and indeed all aspects of life.

SUB THEMES

- Integrating Indian Knowledge System in Curriculum and Pedagogy through NEP 2020
- Role of ICT in preserving the Indian Knowledge System
- Contribution of Indian Knowledge System in Various Fields
- Indigenous knowledge in environmental conservation and management.
- Role of HEIs for promoting research in IKS.
- Socio-cultural Perspectives of Indian Knowledge System
- Vedic sciences and their modern interpretations.
- Global Perspective of Indian Knowledge System
- Traditional Vs. Modern Education: Issues and challenges
- Traditional (IKS) to Future (NEP 2020) leading to Viksit Bharat @ 2047

Any other topic related to Indian Knowledge System.

CORE OBJECTIVES

*Ancient Wisdom
for a Brighter Future*

Curriculum Design & Development:

To identify practical, pedagogical methods to seamlessly weave IKS such as Vedic mathematics, ancient sciences, and local artisan to contemporary, multidisciplinary curricula.

Promoting Research & Innovation:

To encourage scholars to conduct interdisciplinary research that connects traditional Indian wisdom with modern scientific and technological advancements.

Preserving Cultural Heritage:

To foster pride and awareness regarding India's rich intellectual and civilization values among students.

Faculty Development:

To strategize and develop specialized training programs that prepare educators to confidently teach IKS.

Key Issues & Challenges Addressed:

To prepare educators with a comprehensive grasp of both traditional knowledge and modern teaching practices.

Resource Constraints:

Bridging infrastructural and resource disparities across educational institutions to ensure equitable access to IKS programs.

*Learn
Preserve
Innovate
for a
Better
Tomorrow*

Important Dates

Abstract Submission Deadline	: 20th Oct., 2026
Registration Deadline	: 20th Oct., 2026
Full Length Submission	: 10th Nov., 2026

Bank Details

Name of Bank	: State Bank of India
Account Name	: Principal, S.S.D. Girls' College
Account No.	: 65009273556
